Dear Pastors and Praying Friends,

It was definitely different celebrating Independence Day outside of America, but we still had a great day. We attended a get together on the 4th of July with a group of missionaries. Let's just say they made it a celebration we won't soon forget. It's a blessing to be around other missionaries that are encountering the same things that we are, it makes it easy to become friends fast.

Recently my wife began teaching a children's English class every Saturday. She started out with one student but, the 3rd week she was blessed with four students. Later, we found out that one of the young ladies is a Christian and she brought two of her friends with her. On Sunday, July 6th, the Christian student, invited her mother to church; unsure if she would attend the adult English classes or even go to church. She knew her mother had lots of questions. So, she offered to stay home and sit with her younger siblings. The mother did not attend English class, but she did attend Sunday School. We noticed that one of the ladies and this mother stepped out during the middle of the services. We found out later that the mother accepted Christ as her Savior. Praise The Lord!

It was my honor and privileged to preach the youth camp of Grace Baptist Church. The theme this year was Jude 22 "Making a Difference". We had a great time of games, activities, skits, and preaching. On the last morning the youth were called to breakfast. They had divided up into small groups to review and discuss their morning devotions. To my surprise, they were 30 minutes late to breakfast because they wanted to spend more time on their devotions. What an eye opener to the quality of the teenagers I was able to speak to all week. They are such an encouragement to me and my family.

On the 20th we had a very special Sunday. Some of the churches that Grace Baptist helped start came back to Grace for a special Sunday. It was a humbling experience to preach to so many great servants of our Lord. We had a great time of food and fellowship. We were even able to meet new people and visit with some others that we had met previously.

Then, it was time for our 2nd border run to Cambodia. Which means we have been in Thailand for 6 months. We have a 1 year tourist visa that allows us to remain in Thailand as long as we make a quarterly border run to a neighboring country. The trip was made much smoother because a member of Grace Baptist offered to be our chauffeur and interpreter. He was familiar with the area and drove us there and back in record time. Thankful for Christians willing to serve our Savior. Once our religious visa is approved we will no longer have to make these trips across the border.

PRAYER REQUEST

- Expenses for our religious visas (\$2,500)
- Funds for a vehicle (\$10,000 remaining to raise)
- Students in our classes
- People in our community
