Dear Pastors and Praying Friends,

This past month I was able to start a new Sunday School class at Grace Baptist. We call it the Professionals Class, because it is made up of college graduates who are in or beginning their careers. I have had a wonderful time teaching. They are a great group of young people who are passionate about our God.

The English class my wife has the privilege of teaching had 11 in attendance just a few weeks ago. None of them have attended church yet but they always listen intently to the Bible study and recite verses in English. My wife has also began teaching a children's English class on Saturday's, please pray as it is a good tool to reach the parents. She began with just 1 student and in 2 weeks she already has 3 students arriving Saturday at 9 am for class and then from 10:30 am to 12 pm they have bible time and games. Faith and Hudson enjoy going to English class and assisting their teachers and fellow students. They too are building relationships.

We have paid the money for our religious visas and are patiently waiting on the processing. When they become available for us to pick up we will have to fly out of Thailand to another country where the visas will be waiting for us.

We are onto our next module in our language class by passing our reading and writing test. The two of us are very excited to begin the speaking module which means more vocabulary, and more speaking opportunities with the Thai people.

The military coup is still in effect and we continue to remain safe. This is actually a praise.

Please pray for souls to be saved and lives to be changed in the different ministries we are involved in.

PRAYER REQUEST

- Expenses for our religious visas (\$2,500)
- Funds for a vehicle (\$10,000 remaining to raise)
- Students in our classes
- People in our community
