EASTER | SONGKRAN | AMIE'S ARRIVAL

Dear Pastors and Praying Friends,

This month we celebrated our second Easter in Thailand with a sunrise service. We were blessed to have some lost visitors attending this special service. We were excited to see Yeepun, a visitor that one of my students brought to my professionals class. She also stayed for lunch and spent a lot of time speaking to many of the church members. Please pray for her salvation along with many others who visited on Easter.

April is the month we celebrate the Thai new year called Songkran. Many businesses close for the week, including our language school so it was a great break for our family. It's also exciting to see the entire country celebrating by throwing water on one another.

We celebrated the long awaited arrival of Amie Richard to Thailand on April 16th. The last several weeks we have done our best to get her acclimated to her new home. She will be assisting us in all manners of ministry and we are excited to have her help. Adapting to the Thai culture will be just as important as learning the language. Please pray as she works hard to do both.

This next month we have the opportunity to teach at LIFE camp, it's an intense English training course focusing on leading lost Thai's to Christ. Several hundred people will attend and we pray many will be saved. Most of the campers will be coming from English language learning centers all over Thailand, and the other campers will be made up of Christians that will be befriending the lost with the intent to lead them to Christ. Please pray for the Holy Spirit to move upon LIFE camp and that many will come to Christ.

PRAYER REQUEST
